

Managed IT Services

Leave your IT needs to an experienced managed services provider, so you can focus on growing your business.

Thanks to DWS IT expertise, now you can stop dreading a technology breakdown and focus on what's important for your Business...

IT Services to support Business Growth

With DWS Managed IT Services, you'll enjoy the following:

- ❑ Peace of mind – Your systems are monitored and maintained 24/7.
- ❑ Less downtime – We identify and fix issues before they cause problems.
- ❑ Fewer disruptions – We provide most services remotely or overnight.
- ❑ Predictable budgeting – All-inclusive, all-you-can-use, flat-rate IT services that cover hardware and software.

Proactive Maintenance and Support

Proactive Maintenance support aims to keep your business running in full swing.

- ✓ Remote 24 x 7 x 365 monitoring
- ✓ Diagnostics
- ✓ Troubleshooting
- ✓ Scheduled updates and maintenance
- ✓ OS updates
- ✓ Connectivity
- ✓ Security patches

Our Team

Expert technical support is one of the best ways to boost workplace productivity and minimize interruptions.

Our help desk experts are always just one call or click away, making it easy to resolve problems fast. Moreover, our rapid response time ensures that your team never experiences frustrating downtime that hinders productivity.

Plus, we offer 24/7 emergency support services for technical issues that impact your business.
